

# Certificate

In the financial year 2010-2011, Vatten och Samhällsteknik AB caused in total

**25 tonnes of CO<sub>2</sub>-equivalents**

This certificate confirms that these emissions are compensated through the investment in the following emission reduction project

**Efficient and cleaner cooking for households, Cambodia**

First Climate has retired the corresponding emission reduction certificates irrevocably from the market.

Bad Vilbel, in November 2011
