

# Certificate

for

**VOS** | Vatten och  
Samhällsteknik AB

In the financial years of 2018-2019, the business activities of  
Vatten och Samhällsteknik AB  
are carbon positive by offsetting

**37 tonnes of CO<sub>2</sub>e emissions**

This certificate confirms that these emissions were offset  
by emission reductions in the Gold Standard  
climate protection project

**Improved Kitchen Regimes - Boreholes, Malawi**

First Climate has permanently retired the corresponding  
emission reduction certificates irrevocably from the market.

Bad Vilbel, November 2019

**Climate Neutral  
Company**  
with First Climate

Dr. Jochen Gassner, CEO First Climate Markets AG
